

Markov's Aquatics Swimming Club

Life is too short to train somewhere else!

CHILD SWIMMING ASSESSMENT FORM

The below content has the purpose of making the parent/guardian familiar with the essentiality of the assessment and does not obligate the parent to register his/her children with Markov's Aquatics Swimming Club (M.A.S.C.)

- 1. All M.A.S.C. coaches are certified by Swimming Canada*
- 2. All M.A.S.C. swimming pools meet all the regulations and standards of TDSB and the City of Toronto*
- 3. The swimming assessment, depending on the current swimming level of the child, may take from 15 to 60 minutes*
- 4. Swimming lessons for children with special needs may or may not bring swimming achievement results. (Parents must inform prior to the assessment whether their child has specific needs)*
- 5. Children at the time of taking the swimming assessment must be free of any contagious diseases and have no health problems*

I, undersigned parent, confirm that have been acquainted with the assessment procedure of M.A.S.C.
